

SUSTAINABLE HOMES PROGRAMME

9TH NOVEMBER 10.30am - 4.00pm at THE CENTRE OF PENDEEN

10.30am - EVENT OPENING

ALL DAY - STANDS TO SEE AND EXPERTS TO TALK TO ABOUT:

Insulation, grants, switching energy providers (bring a bill). EPCs - information for tenants, home owners, landlords. PIV - mould control. Renewable energy, and heat incentives. Social housing and energy efficiency. Community Land Trusts and affordable housing. Water saving, care and repair, your carbon footprint. Plastic-free household items, climate change information and more.....

11.00am - 'RENEWABLE ENERGY FOR OUR HOMES'

Two fifteen minute illustrated talks from local residents, Piers and Lisa Guy and Howard and Gail Charman. Hear about their different experiences introducing renewable energy into traditional local homes, discuss and ask questions.

ALL DAY - CAFÉ:

Hot and cold drinks, cakes, homemade soup and rolls, more cake!

2.00pm - 'KNOWLEDGE IS POWER'

A fifteen minute illustrated talk with Ian Flindall; find out how you can check your electricity usage around the house, could it be lower?

3.00pm - CALLING THE RAFFLE: Super prizes to be won!

4.00 - CLOSE OF DAY

Thank you for coming, we hope you enjoy the event.
