

# A CELEBRATION OF BRILLIANT PENDEEN IDEAS

## Ideas for saving money and improving sustainability

### Let's see what we are up to in Pendeen

Contribute to a local celebration  
of good ideas for homes, gardens and communities.

Share what you, your friends, neighbours and families are doing that can  
save money and help our planet.

Sustainable Pendeen is planning a booklet (in paper and on line) with all our good  
ideas and practical tips.

No contribution is too small. Tell us about - your environmentally friendly  
gardening tips, seasonal produce recipes, ingenious ideas for saving energy or water, how  
you manage travel miles, your sustainable community activities and more. We can all  
benefit from sharing how we are adapting our lives to live more sustainably in Pendeen.

You don't need to write reams; you can also send us photos and drawings.  
Remember to include your name and contact details.

You can call us to talk about your contribution. We look forward to hearing from you.

### Ways of contributing:

Telephone - Sandra on 01736 787899

e mail - [sustainablependeen@gmail.com](mailto:sustainablependeen@gmail.com)

Use one of our Contribution Collection Boxes at – The Centre, the School, Church, North  
Inn, Radjel Inn, Football Club.

There will be a celebration for contributors and the community in the Autumn.

Final contributions please by: 22<sup>nd</sup> September 2023
